elopements + intimate weddings

EVERY COUPLE IS UNIQUE

...AND SO IS EACH WEDDING.

I don't have a template for photographing weddings. Although there may be similarities between events, I take the personality of the couple and the environment into consideration for each part of the day. I believe your pictures should feel like you, and should reflect your dynamic as a couple. I may ask you to step outside your comfortzone, but I won't ask you to be someone you are not.

GIVE YOUR WEDDING ROOM TO **BREATHE**

It is important to me that the people who hire me do so because I am the right person for the job, because I am a good fit. It's a relationship that requires trust. For me to best tell your story I need to know you, I *want* to know you. Choosing a photographer with the right personality for you is every bit as important as price and style. I believe a relaxed environment makes for more fun and better images. Having space in your schedule is another great way to keep the stress low, and that is a good thing for everyone.

TRAVEL FEES

I TRAVEL ANYWHERE, AND I TRAVEL OFTEN.

I am always up for an adventure. Paris Virginia or Paris France... I would be honored for you to bring me along to share in your day. The travel accommodations required include: all flights, hotel, rental car, helicopter, ferry, canoe; any mode of transportation that is necessary to get to you and have somewhere to stay.

BOOKING YOUR WEDDING

I LIKE SIMPLE MATH.

To make it official, a 50% retainer and a signed contract reserves your date. The second 50% is due one month before the wedding date. Venmo, Paypal, credit card, or a check... most any payment method is fine. Travel fees are paid at the time of the retainer. I have good manners; first come, first serve.

THANK YOU

I appreciate you taking the time. I'm an open book, ask me anything.

leaps fences, penetrates walls
to arrive at its destination full of hope.”
